Bridgerland Technical College

### HIGH SCHOOL DIPLOMA:

AUG 2018 - MAY 2019  
Cache High School

## PROGRAMMING LANGUAGE

HTML5, Javascript, React, CSS,  
Bootstrap, PHP, Express JS,  
Node JS, Python

## ABOUT ME

I am an enthusiastic and adaptable junior developer eager to kickstart my career in web development. Although I'm at the beginning of my professional journey, I quickly absorb new concepts and am passionate about expanding my skill set. I have experience with a variety of languages and technologies, including HTML, CSS, JavaScript, React, PHP, Node.js, Express, and Python. While I have a well-rounded understanding of both front-end and back-end development, I have a particular interest in front-end development, where I enjoy creating intuitive, user-friendly interfaces. I'm committed to continuous learning and thrive in collaborative environments where I can contribute my skills and grow as part of a dynamic team.

## EXPERIENCE

### BRIDGERLAND TECHNICAL COLLEGE

JAN 2024 - DECEMBER 2024

Developed real-world applications while gaining a strong foundation in coding principles and best practices. Through hands-on experience, I applied theoretical knowledge to practical projects, enhancing my problem-solving skills and technical proficiency. This experience allowed me to deepen my understanding of programming concepts, software development processes, and project implementation.

## SKILLS

- Problem-solving
- Collaboration
- Adaptability
- Eager to learn
- Time Management
- Communication
- Innovative
- Attention to detail
